Please note:

- Full-supervision will be provided by our Group Leaders for the duration of the programme.
- Students must bring food provisions for the expedition days as per Duke of Ed requirements.
- Students can store Silver Test food (in a labelled zip-lock bag) & clothing (in an overnight bag) at base camp whilst on their Practice hike. They will have the opportunity to repack for the Silver Test hike on Day 4 morning.
- The students will have access to shower facilities during the overnight stay so if they like they can bring toiletries and a towel for that which also can be left at base while they are on expedition.
